Dear Ray:

Enclosed please find signed credit card receipt for our furniture. I would like to tell you that I love the furniture. It is so beautiful. All the dining room chairs' wood look brand new and I am so happy with the fabric you helped me select and that you did it the way I wanted (rollover - I am not sure if that is what it is called) but I love them. Thank you. My chair that I have in my living room is so beautiful and it doesn't look 35 years old-it looks better than when it was new!

I knew the moment I saw the fabric I chose for my couch and love seat in your showroom that it was what I wanted on my couch and love seat. I looked in many stores and for a long time but I knew if you did my couch and love seat in that fabric, I would love it and it would look so beautiful and it does.
Thank you!

I also want to tell you that all of your staff were so great! When they brought our furniture back, they were so careful and I really do appreciate it very much because my husband just put a new floor down. When they picked up the furniture, they were also very nice.

Your staff in your office were helpful. When I had to change the delivery date, Tina was so cooperative.

It was nice dealing with your company and I want you to know **I LOVE MY FURNITURE SO VERY MUCH. THANK YOU.**

Sincerely,

Phyllis A. Ward
