Att: Raymond Catalano

Dear Raymond:

The throw pillows arrived just in time for Christmas and were a perfect compliment to a beautiful re-upholstery job. - Thanks!

The chair and couch made their "debut" on Thanksgiving and nobody believed they were the same pieces of furniture - they had such a different look.

Thanks to the Catalano family and all who worked to make this happen.

May you each enjoy a happy, healthy, New Year!

Sincerely,

Mary Garabedian
